

TUFFY®

WORLD-CLASS WINDSCREENS

OFFICIAL WINDSCREEN OF THE UNITED STATES PROFESSIONAL TENNIS ASSOCIATION

Our proprietary windscreens are virtually tear-proof, feature superior sun/UV resistance, and are an ideal choice for anywhere you need a visual barrier. This product is perfect for use on tennis courts in a variety of venues, ranging from high school and collegiate courts to resorts and residential communities.

Whether you need a simple background to increase visibility, reduce visual distractions, and eliminate unwanted onlookers, or want to make a screen “pop” with your design via our CHROMA-BOND® world-class printing — we have your windscreen solution.
